Dear 

The Defense Finance and Accounting Service appreciates the opportunity to serve you. We were recently notified that you qualify for Concurrent Retirement and Disability Pay (CRDP). While you also are eligible for Combat Related Special Compensation (CRSC), you cannot receive both CRSC and CRDP. Therefore, we analyzed your account to determine which payment provides the greatest benefit to you.

Your CRSC entitlement is more beneficial than your CRDP entitlement, therefore we have selected CRSC for you.

If you do not agree with the election that we have made for you, please complete the enclosed form and return it to us within 45 days of the date on this letter. Elections received after 45 days cannot be honored. If you do not return the election form, you will continue to receive CRSC payments until the next annual CRSC/CRDP Open Season.

In order to assist you in making a decision, we have included a CRSC/CRDP election form that includes information about the current value of each entitlement. Information about CRSC/CRDP can also be found on our website at www.dfas.mil/retiredmilitary.html.

If you feel that you may be eligible for increased CRSC compensation based on new disabilities awarded by the Department of Veterans Affairs, please contact your branch of service.

We thank you for your service to our country. If you have any further questions, you may contact one of our customer care representatives at 800-321-1080 or 216-522-5955, between 8:00 a.m. and 5:00 p.m., Eastern Standard Time, Monday through Friday. You can also send a fax to 800-469-6559 or write to us at the address above.

Sincerely,

Retired and Annuitant Pay
